## PLAYER RANKINGS

The CCS uses RANKINGS of M Master, A ADVANCED, B OPEN or C STANDARD. A Player will be assigned a 'Performance Ranking' based on their finish in every SINGLES or TEAM Event played in at a CCS or ACS Championship. The 'HIGHEST OF THE LAST 2' assigned 'Performance Rankings' will determine their PLAYER RANKING.

The 'Performance Rankings' are assigned, as follows:

1. In an A, B or C FINALS Division
  - Top 12% – assigned 'Performance Ranking' of NEXT HIGHER Division.
  - In the Money – assigned 'Performance Ranking' of SAME Division.
  - Out of the Money – assigned 'Performance Ranking' of NEXT LOWER Division.
2. In a B or C QUALIFYING Division
  - Top 1 – assigned 'Performance Ranking' of NEXT HIGHER Division.

Because of the 'HIGHEST OF THE LAST 2' rule, a Player will need to be assigned 2 consecutive NEXT LOWER 'Performance Rankings' before their PLAYER RANKING will go down.

## KNOWN ABILITY

The CCS reserves the right to assign PLAYER RANKINGS based on KA – Known Ability.

**Fargo ratings** will trigger a KA Player Ranking review as follows:

<b>Professional</b>	720+ Men / 630+ Women
<b>Master or Advanced Plus</b>	675+ Men / 600+ Women
<b>Advanced</b>	625+ Men / 525+ Women
<b>Open</b>	525+ Men / 425+ Women
<b>Standard</b>	Up to 525 / Up to 425 Women

**CompuSport CSR ratings** will trigger a KA Player Ranking review as follows:

<b>Professional</b>	1980+ Men / 1860+ Women
<b>Master or Advanced Plus</b>	1925+ Men / 1820+ Women
<b>Advanced</b>	1850+ Men / 1720+ Women
<b>Open</b>	1720+ Men / 1575+ Women
<b>Standard</b>	Up to 1720 / Up to 1575 Women

Assigned Player Rankings based on KA for **Advanced, Master and Professional** are frozen unless successfully appealed otherwise.

A Player without a Ranking will be designated as '**U**' **Unknown** which will be considered the equivalent of **Standard**, unless assigned otherwise based on KA.
